Avature Specialist Masterclass Agenda

📅 Friday, September 30

- **Automation as the engine:** Automating screening and dispositioning processes to leverage the platform to its full potential.

- **Optimizing operations:** Configuring workflows effectively and efficiently.

- **Strategic scheduling:** Setting up Avature's calendar to enhance interview scheduling and feedback tracking.

- **Drive teams collaboration:** Keeping track of metrics over time with Avature's role-based dashboards.

- **New features released throughout 2022** and what impact they represent in your everyday actions in Avature.

- **Interactive hands-on exercises** in a practice environment to maximize knowledge gain.

- **Gamified activities** to solve real-life scenarios of the topics learned.
